Dear Damascus, Olney & Wheaton Studio of Dance Families and Supporters:

Thank you for joining us today. Our students thoroughly enjoyed performing for you! We have had an exceptional year! It is always a special privilege to share our joy of dance with your children, as we discover their unique talents. Sixty-two years ago, in 1959, a wonderful dancing tradition began in our diverse city of Wheaton, Maryland, which has since expanded to the cities of Damascus & Olney. We expect to carry on this tradition for many years to come. We are proud to be a family studio where it is common to find families with multiple generations of our dancers.

I am so proud of all our dancers! You have done such an awesome job today! I would like to express my sincere gratitude to my gifted and talented staff. I would not be able to do this each year without your kind support and unfailing dedication. Of course, a special thank-you goes out to my friends and family.

In addition to our exceptional students, we are extremely fortunate to have our Company classes, which include our Petite, Teen, Junior, & Senior teams. They entered multiple competitions in Maryland & Virginia. The Company Team proudly represented our studio and earned many honors. The Company classes were taught by Ms. Shauntrese, Ms. Amanda, & Ms. Sara. Our front desk was often covered with plaques, ribbons, medals, trophies, and certificates that the dancers received for their extraordinary efforts. We are so proud of them all. These talented students were always supported by their enthusiastic parents!

Please check out all our programs we have to offer this summer! We look forward to another exciting year in 2021-2022. Have a fabulous summer!

Sincerely,
Shannon Rush-Locke & Staff
